12 DAYS OF CAPE YORK

We arrive in the charming historical township of Cooktown to relax and unpack before dinner (breakfast & dinner in hotel / lunch at own expense).

Day 3 COOKTOWN**Fri 12 June 20 (BD)**

Cooktown is one of Australia's hidden gems. The beautiful, unspoilt coastal town is one of Australia's most historically significant townships. This is where Captain Cook settled in 1770 when his ship, the Endeavour, was beached. It's also where the first place of reconciliation between the Europeans and the Guugu Yimithirr people, was a significant town during the gold rush era and became a base during WWII. With a local expert, we step back in time to enjoy the heritage buildings and monuments around town paying homage to an era of great hardship and triumph. During our town tour we'll also stop at Grassy Lookout for stunning views of the town.

We visit the James Cook Museum, located in a stunning nineteenth-century building. Many of its interesting artefacts include a fascinating insight into the 7 weeks Captain Cook and his crew spent in Cooktown, the local indigenous culture and displays dedicated to the rich Chinese heritage of this region. We enjoy morning tea in the local Botanic Gardens before free time in town. After lunch we travel to the famous Lions Den Hotel for an afternoon beverage (breakfast & dinner in hotel / lunch at own expense).
